

Curriculum Vitae

Benoit Misonne

For the past decade, Benoit Misonne (米默勤) has coordinated EU led initiatives in China on a wide variety of trade policies as well as support to businesses. He has contributed to the development and delivery of dozens of training initiatives for industry and government officials in various fields of management and law and has accumulated insightful knowledge of sector specific issues (from information and communication technologies to consumer products, through creative and cultural industries). Benoit holds master degrees in International Business Studies ([E.M.B.Sc.](#)) from Herriot-Watt University, Edinburgh and Political Sciences from the College of Europe. He has co-authored a number of studies and articles on China related issues.
